Official Form Plan for the
Eastern District of Wisconsin
Chapter 13 Plan

10/17

Part 1: Notices

To Debtors: This form sets out options that may be appropriate in some cases, but the presence of an option on the form does not mean that the option is necessarily appropriate for you. Plans that do not comply with local rules and judicial rulings may not be confirmable. Nothing in this plan controls over a contrary court order.

THIS FORM PLAN MAY NOT BE ALTERED OTHER THAN THE NONSTANDARD PROVISIONS IN PART 8 BELOW.

Nonstandard provisions set out elsewhere in this plan are ineffective.

In the following notice to creditors, you must check each box that applies.

To Creditors: Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated.

You should read this plan carefully and discuss it with your attorney. If you do not have an attorney, you may wish to consult one.

If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must file an objection to confirmation. The objection must be filed within 28 days of the completion of the Section 341 Meeting of Creditors. Failure to file a timely objection constitutes acceptance of the plan and its terms. The court will schedule a hearing on any timely filed objections. The court may confirm this plan without further notice if no objection is filed. In addition, a timely proof of claim **must** be filed in order to receive payments from the trustee under this plan.

Note to Secured Creditors: If your secured claim is not provided for in Part 3 below, no funds will be disbursed to you by the trustee on your secured claim.

The following matters may be of particular importance. **Debtors must check one box on each line to state whether or not the plan includes each of the following items. If an item is checked as "Not included" or if both boxes are checked, the provision will be ineffective even if otherwise provided for in the plan.**

Part 2: Plan Payments and Length of Plan

2.1 Debtor(s) will make regular payments to the trustee as follows:

\$3,349.00 per Month for 60 months
Insert additional lines if needed.

The plan may not provide for payments over a period that is longer than 60 months.

Debtor James F. Lewis
Deborah A. Ford-Lewis Case number _____

For OVER median income debtors, the plan must be 60 months or a shorter period that is sufficient to pay allowed nonpriority unsecured claims in full.

For UNDER median income debtors, the debtor(s) must make sufficient periodic or other payments to enable the trustee to make the payments to creditors stated in this plan, regardless of the number of months indicated in this part of the plan. Thirty-six or more months after confirmation, the plan's term will end when all holders of allowed nonpriority unsecured claims have received the payment amount or percentage stated in Part 5. Prior to 36 months after confirmation, the plan term will end when all holders of allowed claims have received the payment required by the plan and holders of nonpriority unsecured claims have been paid in full. The plan term will not end earlier than stated in this Part 2 if there is a creditor listed in § 4.5 of this plan that will receive less than full payment of its claim under 11 U.S.C. §§ 1322(a)(4) and 507(a)(1)(B).

2.2 Regular payments to the trustee will be made from future income in the following manner:

Check all that apply:

- Debtor(s) will make payments pursuant to a payroll deduction order.
 Debtor(s) will make payments directly to the trustee.

Please note: Debtors are responsible for any payments set forth in the plan or confirmation order that are not withheld under a payroll deduction order.

2.3 Income tax refunds.

The debtor(s) will supply the trustee with a copy of each federal and state income tax return filed during the plan term within 14 days of filing any return. The tax refunds received by the debtor(s) must be accounted for on Schedules I and J and, if applicable, Form 22-C-2.

2.4 Additional payments.

Check one.

- None.** If "None" is checked, the rest of § 2.4 need not be completed or reproduced.

2.5 The total amount of estimated payments to the trustee provided for in §§ 2.1 and 2.4 is \$ 200,940.00.

Part 3: Treatment of Secured Claims

3.1 Maintenance of payments and cure of default, if any.

Check one.

- None.** If "None" is checked, the rest of § 3.1 need not be completed or reproduced.
 The debtor(s) will maintain payments during the case on the secured claims listed below by paying the claimant directly. For allowed secured claims provided for in the plan, the trustee will disburse payments on any arrearage sufficient to pay the arrearage in full, with interest, if any, at the stated rate. If the Interest rate on arrearage column is left blank, no interest will be paid. The trustee will disburse payment on any arrearage listed on a proof of claim filed before the filing deadline under Bankruptcy Rule 3002(c) or 3004, and amounts so listed control over any contrary amounts stated below as to the current installment payment and arrearage. The trustee will disburse amounts listed in the Monthly plan payment on arrearage column each month. If no amount is listed in the Monthly plan payment on arrearage column, the trustee will disburse payments to the creditors listed in this Part pro rata with other secured creditors that do not receive equal monthly payments. If a secured creditor obtains relief from the automatic stay as to collateral listed in this section, the trustee will cease payments to that creditor, and the plan will be deemed not to provide for secured claims based on that collateral.

The final column includes only payments disbursed by the trustee rather than by the debtor(s).

Name of Creditor	Collateral	Current installment payment - Disbursed by Debtor	Amount of arrearage - Disbursed by Trustee (including escrow)	Interest rate on arrearage - (if applicable)	Monthly plan payment on arrearage	Estimated total payments by trustee

The remainder of this paragraph will be effective only if the applicable box in Part 1 is checked.
- The debtor(s) request that the court determine the value of the secured claims listed below. For each non-governmental secured claim, the debtor(s) state that the value of the secured claim should be as set out in the *Amount of secured claim* column. If the total amount of the proof of claim is less than the amount listed in the *Amount of secured claim* column, the lower amount listed on the proof of claim will be paid in full with interest as provided below. For secured claims of governmental units, the value of a secured claim listed in a proof of claim filed in accordance with the Bankruptcy Rules controls over any contrary amount listed below. For each listed claim, the value of the secured claim will be paid in full with interest at the rate stated below.

If no entry is made in the *Interest rate* column, the proof of claim controls the rate of interest. If no interest rate is listed in the plan or proof of claim, then no interest will be disbursed by the trustee. The trustee will disburse amounts listed under the Monthly payment to creditor column in equal monthly payments. If no amount is listed in the Monthly plan payment column, the trustee will disburse payments pro rata with other secured creditors. If the court orders relief from the automatic stay as to any item of collateral listed in this paragraph, the trustee will cease disbursement of all payments under this paragraph as to that collateral, and the plan will be deemed not to provide for all secured claims based on that collateral.

The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim under Part 5 of this plan. If the amount of a creditor's secured claim is listed below as having no value, the creditor's allowed claim will be treated in its entirety as an unsecured claim under Part 5 of this plan. The amount of the creditor's total claim listed on the proof of claim controls over any contrary amounts listed in this paragraph.

The holder of any claim listed below as having value in the *Amount of secured claim* column will retain the lien on the property interest of the debtor(s) or the estate(s) until the earlier of:

- (a) payment of the underlying debt determined under nonbankruptcy law, or
- (b) discharge of the underlying debt under 11 U.S.C. § 1328, at which time the lien will terminate and be released by the creditor.
